a Benchmarks miss a 1.8–3.2-fold error
12 arrays, literature-style
Reaxys-trained (substrate-only)
1.8×
8 random wells
Error on unrun conditions (points)
Benchmark error (points)
b Thirtyfold more records, same error
Amide coupling
Suzuki–Miyaura
Buchwald–Hartwig
unrun
benchmark
Error (points)
Substrate-only literature records per class
c 69% of pairs beat the measured best
101 above measured best
43 between measured mean and best
3 below measured mean
Substrate pairs (%)
147 pairs, recipes not matched medians: literature reports 81%, measured array means 21%
